2012 RED WINE

HOUSE WINE is the wine you drink anytime with anything...
honest, tasty & real.

AMERICAN

Washington's success with vinifera grapes is due in large measure to the state's unique geography. The vineyards are planted on the east side of the Cascade Mountains which serve to protect the region from marine weather off the Pacific coast and limit rainfall to just 6 - 8 inches annually. Low rainfall and free-draining soils allow vineyard managers to control vine vigor in order to promote flavor development in the grapes. Warm daytime temperatures ripen fruit to perfection. Cool autumn nights protect the grapes' natural acidity. Creating wines with perfect balance and flavors.

VINTAGE NOTE

Hot dry summer with minimal precipitation, allowing long hang time and ripe fruit.

TASTING NOTE

Fruit forward wine with intense Blackberry aromatics, and a refined oak profile. Full bodied wine with soft approachable tannins. Lingering berry fruit flavors round out the finish, with good weight.
