1ST PLACE: HOUSE WINE ROSÉ

BEST FOR: EVERYTHING

“The House Wine rosé blew all the others out of the water. Grays summed up its appeal: “Glass’able! Great body and texture, very ripe fruit and acidity. New World Bandol style, and everyone loves Bandol rosé. Could blind a somm on this and stump the chumps!” Or, as Nicaise put it more succinctly, it’s “actually good rosé,” and who’s going to complain about that?”
